Where Engineering and Creativity Function in Equal Harmony
“Consultant Eng. Mohamed Ahmed Talaat” led TECTRA as Chairman based on more than 40 years of Experience in construction and design. During his tenure, TECTRA has focused on delivering quality services and enhancing company’s reputation by developing its capabilities in construction and project management which are the company core business as well as expanding our activities through the years into real estate development.

We believe that our employees are our greatest asset. TECTRA produces leaders and innovators in the industry. Every employee goes through high standard training that ignites innovation and creativity. Every one of the team in TECTRA shares our core values which ensures the delivery of best-in-class services in a seamless and consistent manner.

TECTRA offers a portfolio of landmark projects and services in:

- **Construction Field:** Complex buildings, Schools, Luxurious Housing and Industrial Facilities.
- **Real Estate Development:** Residential, Commercial and Administrative.

From the main reasons of the company’s success is its management’s ability to add the highest value to its work and to its employees through their performance, these make them leaders and innovators in the industry.

TECTRA is proud of the following projects and services:

- **Construction Field:**
  - Complex buildings, Schools, Luxurious Housing and Industrial Facilities.

- **Real Estate Development:**
  - Residential, Commercial and Administrative.

Our core values are the pillar of our company’s success which ensure the delivery of best-in-class services in a seamless and consistent manner.
OUR VISION
To be recognised as one of the market leaders that provides impactful, innovative and sustainable construction projects and services.

OUR MISSION
• Focus on our clients’ needs by committing to our core values.
• Achieve sustainability through embracing excellence in planning and execution, and also meeting global construction safety standards are crucial for TECTRA.
• Innovate in activities and operations to ensure high quality services & products to meet our client’s expectations
• Deliver cost effective and best fit solutions in construction projects and services.

CORE VALUES
Commitment to clients
Delivering our promises
Always exceed expectations
Our employees are the source of our strength
Creativity / Innovation / Calculated Risk
Strong work ethics
Maintain safe & healthy working environment
Focus on clients’ needs

ؤسس الشركة

رؤية الشركة

• أن تكون الشركة واحدة من أكبر الشركات في مجال البناء من خلال أحدث التقنيات، مع الإستمارةية. في الحفاظ على تقديم أعلى جودة في البداية الزمنية المحددة.
• تجاوز التوقعات دائمًا
• الإبداع / الإبتكار / المخاطرة المحسوبة
• التأكد من آمنية ومصداقية كل الخدمات.
• التركيز على احتياجات العملاء وتلبيةهم.
Leaders become great not because of their power but, because of their ability to empower others.
The key to great project design is capturing the spirit of the client and the essence of the space.
